

HORIZON'S PROGRAM

Come join us for a fun filled weekend and learn more about leadership and GWRRR.

The Horizon Program is a fast track program overview with "hands on" training of practical applications, an excellent class for potential CDs and staff. Horizon is also a great class for the general membership to learn more about teamwork, self-awareness, interpersonal communication, and building better chapters. Members learn about how to have FUN in GWRRR in a challenging day and a half course filled with lots of surprises. It is an interactive program – the more everyone participates, the more everyone learns!

There are a limited number of spots available, so register early.
